

THE ALDEBURGH SOCIETY

Charity number: 262239

Dear Aldeburgh Society Members

This is a quick reminder that Friday 18th December is the deadline for responding to the EuroLink and Sea Link consultations. If you have not already done so, please do get your responses in.

A few suggestions below:

1. Please complete your feedback by this Friday 18th December 2022

We very much support the stance that SEAS is taking on these two projects which we feel are ill thought through and not in the best interest of the Town.

SEAS has compiled a few useful points on the issues that you might wish to express if you are emailing or mailing your feedback to Sea Link or EuroLink. You can find them [HERE](#)

Whilst FEEDBACK FORM guidance can be found [HERE](#) for both SEA LINK and EUROLINK

2. We'd also like to ask you to sign Therese Coffey's petition

It takes two minutes to fill in. Please also send it to as many family and friends as you can. <https://www.theresecoffey.co.uk/energy-petition-review-onshore-connections>

Dr. Coffey is holding the deadline open until the end of January and would like more paper submissions. We have thousands of copies and need Volunteers to leaflet the area. If you can help, please contact the SEAS Team at info@suffolkenergyactionsolutions.co.uk

3. The RSPB post on the projects can be found [HERE](#)

Thanks for your support at this difficult time.

I will write again before Christmas with happier news about what the Society has been up to this year!

All the best
Katherine
